

## UK POKÉMON

**Corviknight**  
What if a bird wore  
a suit of armour?

**Yamper**  
An electric corgi that  
the Queen would  
probably love.

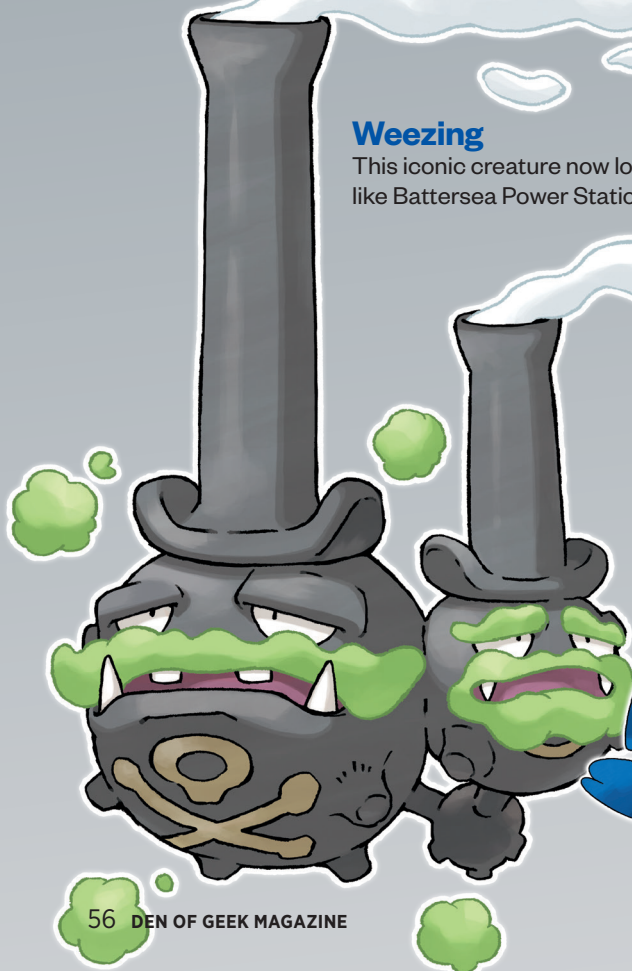

**Polteageist**  
It's a ghost that lives in  
a teapot – spooky!

# BRIT

## Weezing

This iconic creature now looks  
like Battersea Power Station.

Get to know the UK-inspired creatures  
of Pokémon Sword and Shield, the games that  
launch for Nintendo Switch on 15 November

WORDS: ROB LEANE

## Cramorant

A seafaring bird that must be  
inspired by the real-life cormorant.

**Wooloo**  
It's a sheep.

### Zacian and Zamazenta

The legendary critters that adorn the *Sword* and *Shield* box art, both clearly draped in Union Jack colours.

### Rolycoly

Literally a lump of coal.

### Sirfetch'd

A new evolution of Farfetch'd that carries a spring onion around.

# CRITTERS!

### Obstagoon

A badger that looks like Gene Simmons, the new final form of Zigzagoon.

### Alcremie

A sentient Eton Mess, which can transform into a massive wedding cake.
